

Camp Newsletter #1 Tuesday 12th February 2019

Dear Year 8 Parents & Caregivers

This is to inform you about the Outdoor Education Programme for this term. The date of our **Year 8 Camp** is **Wednesday 27th March - Friday 29th March** at **Vertical Horizons Camp** near Inglewood.

For the success of the camp we will require parents to accompany us, either to help with activities during the day or a smaller number staying over-night, so please give some thought to offering your services.

I know it is 'early days' but we would appreciate an indication from you if you have an intention of accompanying us on any of the activities. Please indicate your availability on the attached slip and return it to your daughter's teacher. We also require all parents assisting to be police vetted. If you are wanting to help and have not been police vetted by the school within the last 3 years we require you to complete the form and hand it into the office with two forms of photo identification. Please ask your daughter to collect the form from Mrs Taylor.

Regards,
Andrea Taylor, Cathy Scott, Linda Wichman, Lee Blanks

Year 8 Camp Return Slip #1

Assistance Sheet
