

Camp Newsletter #1 Monday 10th February 2020

Dear Parents & Caregivers

This is to inform you about the Outdoor Education Programme for this term. The date of our **Year 8 Camp** is **Wednesday 1st April – Friday 3rd April** at **Vertical Horizons Camp** near Inglewood.

For the success of the camp we will require parents to accompany us, either to help with activities during the day or a smaller number staying over-night for the whole camp, so please give some thought to offering your services.

I know it is 'early days' but we would appreciate an indication from you if you intend accompanying us on any of the days. Please indicate your availability on the attached slip and return it to your daughter's teacher. We also require all parents assisting to be police vetted. If you are wanting to help and have not been police vetted by the school within the last 3 years we require you to complete the form and hand it into the office with two forms of photo identification. Please ask your daughter to collect the form from Mrs Taylor.

Regards,
Andrea Taylor, Cathy Scott, Linda Wichman, Nicola Hill
