

Level 1 Mathematics Courses

Mathematics

This course is what the majority of our students at Level 1 will be enrolled in. It covers a variety of strands from the Mathematics curriculum and is made up of both Internal and External Achievement Standards.

Approximately 25 credits offered

Mathematics Internal

This course has been designed to cater for students who find mathematics more challenging. It is a fully internal course made up of Mathematics Achievement Standards as well as Finance Unit Standards. Enrolment into this course is by invitation.

Approximately 26 credits offered
